

## ABOUT OUR INGREDIENTS

- all chocolate chips are vegan and soy free
- all fruit sauces are house made with real fruit and a touch of non-gmo corn starch
- all caramel is made in house using local honey
- all colors are always chemical free using natural colorants
- all oils and extracts are pure, highly concentrated (food grade) and do not contain any artificial preservatives or ingredients
- our salt is untreated purified sea salt
- coffee is locally roasted and organic

Variations of our products will include added ingredients (to the base dough) such as: pumpkin, lemon poppyseed (lemon essential oil), almond extract, vanilla bean paste, vegan chocolate chips, dried cherries, blueberries or other fresh fruit, chopped organic carrots, vegan white chocolate chips...flavors are essential oils and high quality flavors (highly concentrated and do not contain any colorants, artificial preservatives, proteins, carbohydrates, sugar, lactose, calories and are wheat, corn and gluten free)

## **PACKAGED OR OTHER INGREDIENTS**

<https://eclipsefoods.com/ingredients/> to learn more about their ingredients used!

About the rapeseed oil from the company: While our labels call this by its legal name, you likely know this ingredient as expeller-pressed canola oil. Expeller pressing means the oil is removed from the seed using only a press and never any solvents, additives, or chemicals. We make sure ours is non-GMO. It provides the fat (unsaturated!), richness, and texture needed to make Eclipse perform and taste just like dairy.

### **ENJOY LIFE WHITE CHIPS**

cane sugar, palm kernel oil, brown rice syrup solids, sunflower lecithin (an emulsifier), vanilla extract.

### **ENJOY LIFE DARK,REGULAR, MINI CHIPS**

unsweetened chocolate, cane sugar, cocoa butter
